Dear Professor Padhi

On behalf of the IFAC Secretariat, it is my pleasure to welcome you and the Automatic Control and Dynamic Optimization Society (ACODS) in India as NMO of IFAC. As you know, membership will become effective as of the first payment of the membership fee.

We shall forthwith send the Indian NMO 20 copies of every issue of the IFAC Newsletter. Should you wish to receive more or fewer, please inform us accordingly. The IFAC Newsletter is also available on the IFAC website at: <http://www.ifac-control.org>

As we should like to introduce the Indian NMO to the Newsletter readers as our new NMO, we would be very happy to receive a 1 - 2 page report for publication in one of the next issues of the IFAC Newsletter.

Please inform us if the address of the Indian NMO as given at the top of the letter is correct, or else kindly amend or correct it. Please also inform us of the phone, fax numbers and e-mail address to be used.

Another matter of importance is to have a direct contact person in our NMOs. Kindly let us know if this will be yourself,, or inform us of the particulars of the person who will act as liaison.

As soon as the Automatic Control and Dynamic Optimization Society (ACODS) in India has paid its first membership fee, it will be placed on our mailing list for all material pertaining to IFAC National Member Organisations.

Should you need any further information or assistance, please do not hesitate to contact us.

Sincerely yours,

A handwritten signature in black ink, appearing to read 'Schleicher' followed by a stylized flourish.
